FOR IMMEDIATE RELEASE

**Coverings is TPFH Diamond Sponsor**  
*Coverings makes its' annual donation to Tile Partners for Humanity*

December 8, 2009. Atlanta, GA. We are pleased to announce that Coverings has again become a Diamond sponsor of Tile Partners for Humanity. Coverings has made an annual donation to TPFH for the past several years, and they continue to be a strong supporter of TPFH not only with financial support, but also with the involvement of several Coverings board members who sit on the TPFH board including Bart Bettiga, Eric Astrachan and Rick Church. "The support of Coverings for TPFH over the years has been vital to the success and growth of TPFH - the tile industry's charitable organization," says Labuda, executive director of TPFH.

"Tile Partners For Humanity accomplishes two important goals for the tile industry. It serves communities throughout the United States by providing tile and labor for Habitat For Humanity homeowners and other nonprofit organizations, and it sends a strong message to those communities promoting our products as long lasting and environmentally friendly. The leaders of Coverings recognize this contribution from Tile Partners For Humanity and have supported its mission from its inception," says Bart Bettiga, Coverings Chairman of the Board.

TPFH's mission is to enable donations of tile, tile-related materials and labor to non-profit organizations such as Habitat for Humanity to strengthen communities and improve lives. For more information on how you can become a sponsor of Tile Partners for Humanity, please contact Lynn Labuda at (770) 416-0200 or [Lynn.Labuda@tpfh.com](mailto:Lynn.Labuda@tpfh.com), or visit our website at [www.tpfh.com](http://www.tpfh.com).

**About Tile Partners for Humanity**

Formed in 2002, TPFH is a partnership between the tile industry and Habitat for Humanity International, a nonprofit organization working to eliminate substandard housing around the world. Industry partners provide tile, setting materials, tools, floor preparation materials, cleaners and sealers, labor and installation training to Habitat affiliates interested in building with tile. TPFH is a 5013c organization that grants tax relief for donations of materials or other support for our partnership.
