#### MOHAWK TILE DONATES TO TILE PARTNERS FOR HUMANITY

*Mohawk Tile donations directed to Philadelphia Habitat for Humanity*

**Atlanta**, July 16, 2009. Tile Partners for Humanity, Inc. (TPFH), a partner with Habitat for Humanity International, announced that Mohawk Tile, a long time supporter of Tile Partners for Humanity, Inc., has generously donated floor tile through TPFH. This donation was used to tile bathrooms for ten Habitat for Humanity homes in the Philadelphia area. Habitat for Humanity builds simple, decent and affordable housing for low income families in their local communities.

“TPFH is very grateful to the many generous industry partners such as Mohawk Tile who help us reach our pledge to Habitat for Humanity International”, says Lynn Labuda, executive director of TPFH.

#### **About Mohawk Tile**

Established in 1934, Mohawk Tile & Marble Distributors is a family owned business with three locations. Showrooms and warehouses in King of Prussia, PA; Wilmington, DE; and Absecon, NJ are open to the public, and the company also works with architects in the tri-state area on commercial projects.

### **About Tile Partners for Humanity**

Formed in 2002, TPFH is a partnership between the tile industry and Habitat for Humanity International, a nonprofit organization working to eliminate substandard housing around the world. Industry partners provide tile, setting materials, tools, floor preparation materials, cleaners and sealers, labor and installation training to Habitat affiliates interested in building with tile. TPFH is a 5013c organization that grants tax relief for donations of materials or other support for our partnership.
