TILE PARTNERS FOR HUMANITY LAUNCHES NEW WEBSITE

Atlanta, July 14, 2009. Tile Partners for Humanity, Inc. (TPFH), a partner with Habitat for Humanity International, announced today the launch of their new website. The new website will provide clear and current information about the fast-growing non-profit organization not only for the tile industry partners, but for those organizations that they serve as well. "The tile industry is doing so much to support the mission of Habitat for Humanity to build simple, decent and affordable housing for low income families as well as supporting construction projects for other non-profit organizations. I am proud to use the website to highlight all the great accomplishments of TPFH and our industry partners", says Lynn Labuda, executive director of TPFH.

About Tile Partners for Humanity

Formed in 2002, TPFH is a partnership between the tile industry and Habitat for Humanity International, a nonprofit organization working to eliminate substandard housing around the world. Industry partners provide tile, setting materials, tools, floor preparation materials, cleaners and sealers, labor and

installation training to Habitat affiliates interested in building with tile. TPFH is a 5013c organization that grants tax relief for donations of materials or other support for our partnership.

For more information about TPFH, please visit www.tpfh.com or contact Lynn Labuda at 770-416-0200.
