UNITED DISTRIBUTORS TILE GROUP DONATES TO TILE PARTNERS FOR HUMANITY

UDTG donations directed to Habitat for Humanity

Atlanta, July XX, 2009. Tile Partners for Humanity, Inc. (TPFH), a partner with Habitat for Humanity International, announced that United Tile Distributors Group, a long time supporter of Tile Partners for Humanity, Inc., has generously donated over \$14,000 in tile to TPFH. This donation of tile was directed to the Portland Habitat for Humanity affiliates for use in building simple, decent and affordable homes for low income families in their community.

“David Chabot and all the great folks at UDTG continue to generously support TPFH and provide donations for our many project requests”, says Lynn Labuda, executive director of TPFH.

About United Distributors Tile Group

About Tile Partners for Humanity

Formed in 2002, TPFH is a partnership between the tile industry and Habitat for Humanity International, a nonprofit organization working to eliminate substandard housing around the world. Industry partners provide tile, setting materials, tools, floor preparation materials, cleaners and sealers, labor and installation training to Habitat affiliates interested in building with tile. TPFH is a 5013c organization that grants tax relief for donations of materials or other support for our partnership.
